Koshihikari is the best branded Japanese rice. It is stickier and has a fuller and richer flavor and best for dinner, Obento and Western-style meals. **Yumepirika rice is getting popular nowadays.**

1. YUMEPIRIKA (HOKKAIDO) – Yumepirika is best enjoyed plain. It has some sweetness, and it's delicious even when cold, so it's great for bento lunch boxes or onigiri.
