A hand is shown holding a white sign with the text "KELAS ZERO WASTE ADVENTURE" written in a bold, black, brush-stroke font. The hand is positioned in the foreground, and the sign is held up. The background is a kitchen with various items on a counter, including a blue shirt, a red bottle, a black lid, and a white bowl, all of which are slightly out of focus. The overall scene suggests a practical application of zero-waste principles in a domestic setting.
